

COVID-19 Information Center ^[1]

Publish Date: 21 March 2020 19:28 GMT

Novartis is responding to COVID-19 with safety of associates and patients globally our primary concern. We are also contributing to research efforts, supporting communities and ensuring stable supply and price of essential medicines. This information center provides a central hub for updates, guidance and other resources.

Novartis COVID-19 Information Center at <https://www.novartis.com/coronavirus> ^[2]

This page and its subpages will be now used as a Central hub for all COVID-19 information with content of:

- News
- Stakeholder guidance
- Research and collaborations
- Perspectives, Resources, more ...

You can also keep yourself updated with the right information about COVID-19, methods of prevention and recent updates through the Ministry of Health Facebook page:
